## **PHILOSOPHY AND PURPOSE**

The educational philosophy of Mt. Pleasant Christian School is three-fold:

1. Christian education starts at home. Our goal is to work with parents to lead children to a personal commitment to Jesus Christ and to discipline them in their Christian walk.
2. All truth is God-given and needs to be taught from God's perspective. He is Creator, Savior, and Lord. We seek to relate God and His word to all areas in academics and daily life.
3. The school administration, staff, and students should seek to further God's kingdom and to be a witness of God's love in the community

## **STATEMENT OF FAITH**

God, the Creator of the universe, exists in three persons-the Father, the Son, and the Holy Spirit. Jesus Christ died, shedding His blood for our sins, and was raised again from the dead. Our sin separates us from God, but we can become his children through repentance and acceptance of Jesus as our personal Savior and Lord. The Holy Spirit lives in the believer and enables him to walk in submission to the will of God. The Bible is God's truth and reveals the only way to know reality and fulfillment in life.

I support the philosophy and purpose of Mt. Pleasant Christian School and agree with this statement of faith
